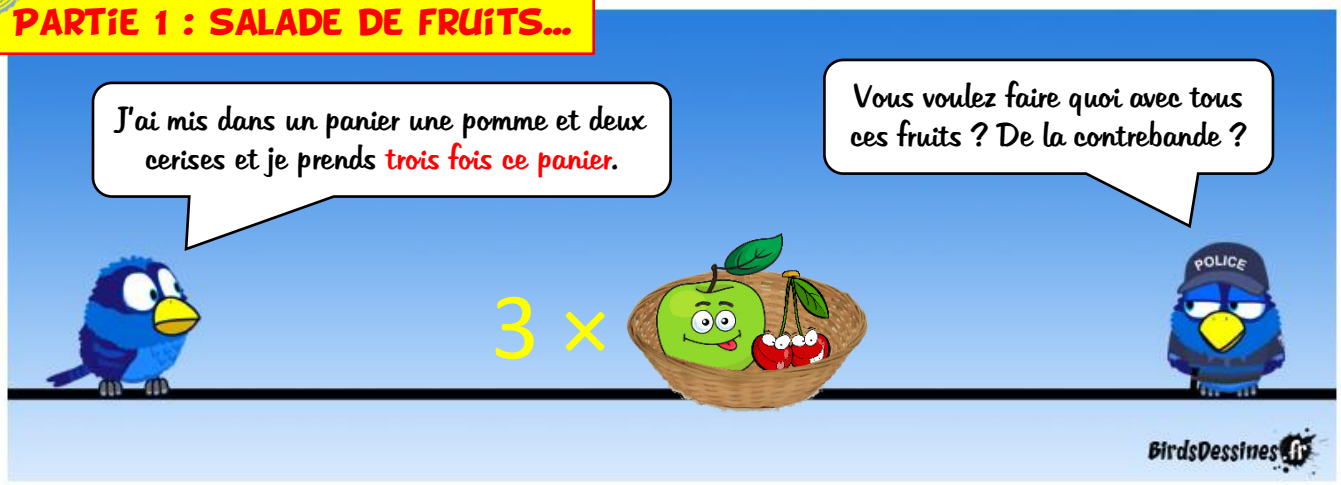
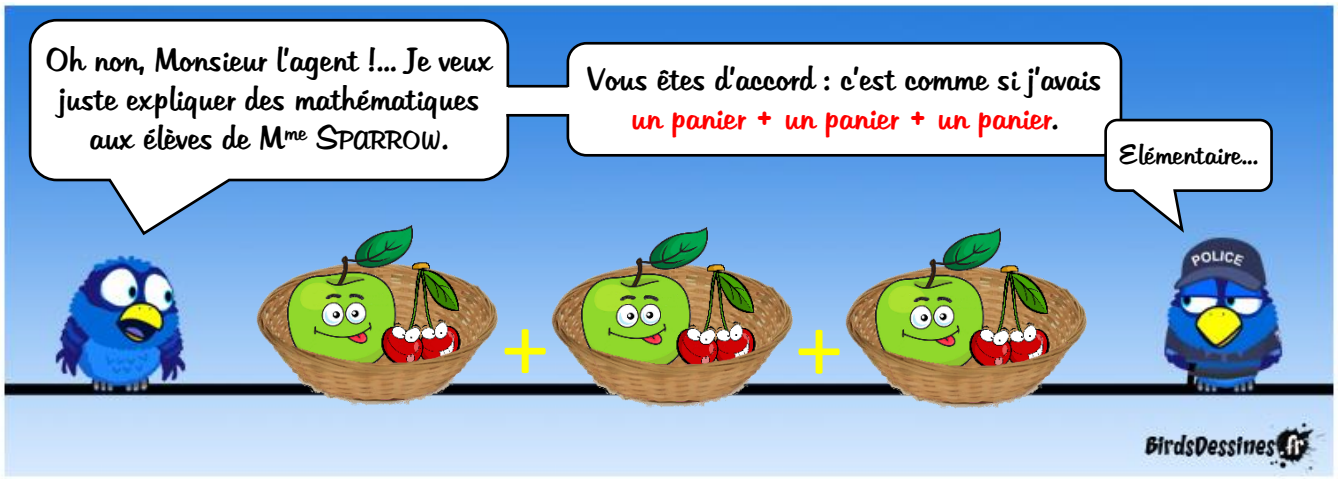
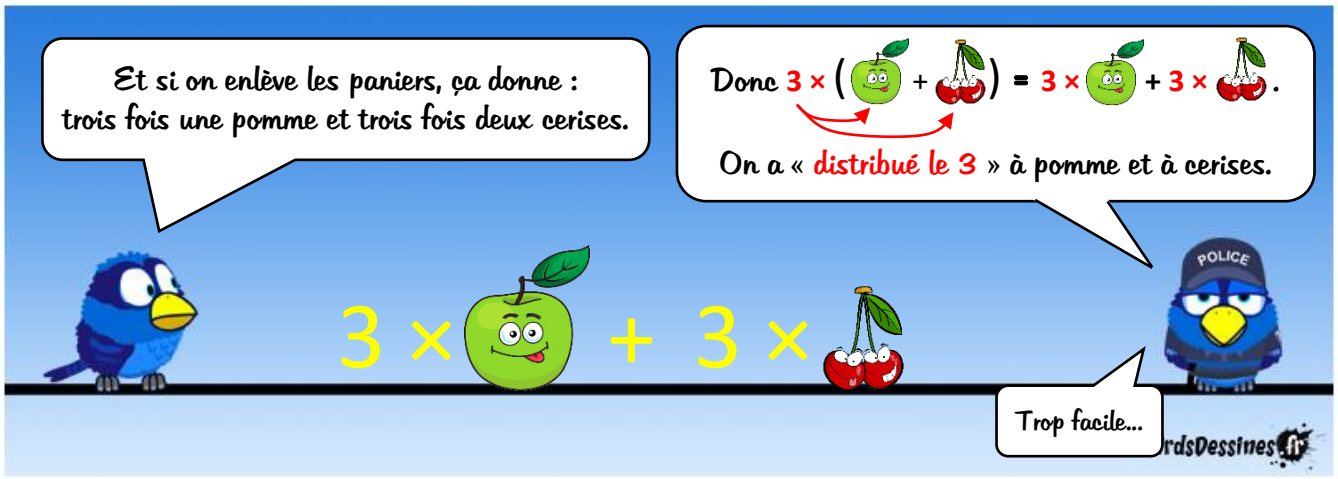
LES BIRDS... PISIO-ÉPISODE 1.

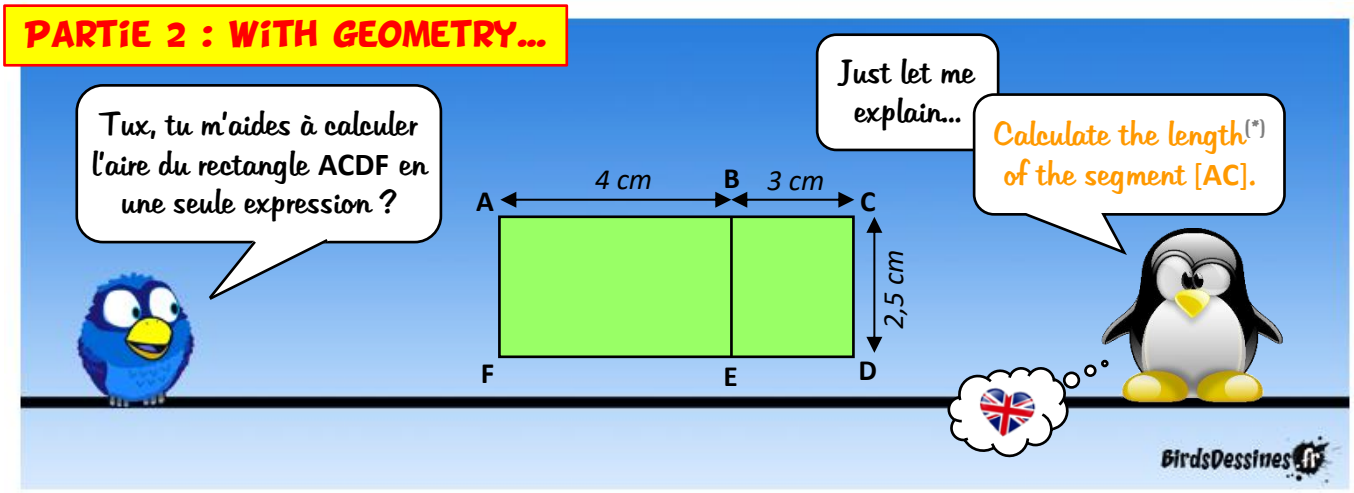
PARTIE 1 : SALADE DE FRUITS...



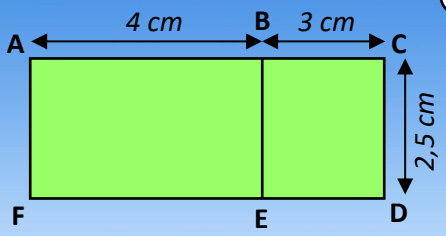




PARTIE 2 : WITH GEOMETRY...



Et après ? J'en fais quoi de cette longueur ?

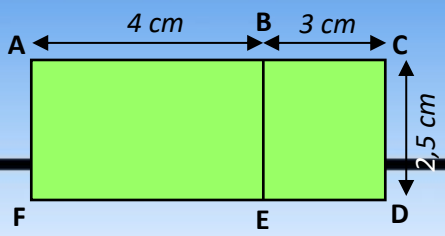


Calculate the surface area of the rectangle ACDF.

BirdsDessines.fr

Ben ouais... Mais j'ai deux calculs, là...

Write an expression with parentheses which will allow(**) you to calculate the surface area of the rectangle ACDF.



VOCABULARY :

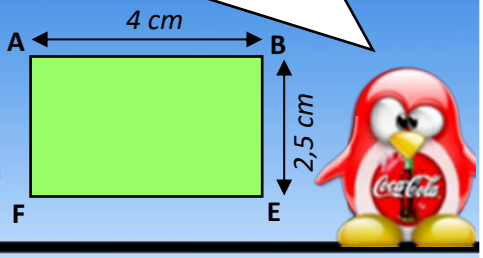
(*) length = longueur

(**) allow = permettre

(***) phylacteries = phylactères (bulles de BD)

(****) above = ci-dessus

Write down the calculation which give you the surface area of the rectangle ABEF.



Write down the calculation which give you the surface area of the rectangle BCDE.

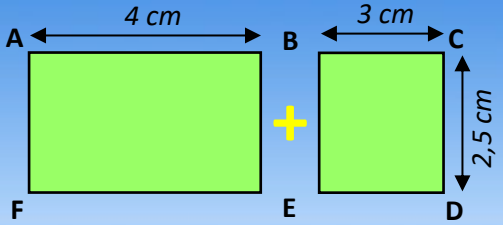
Mais ça me fait toujours deux calculs et pas un !...

Deduce from two phylacteries(***) above(****) an expression which will give you the surface area of the rectangle ACDF.



And complete this calculation :
